## **Standard Motor Products Pro Training Power Hour 2024 Schedule Announced**

NEW YORK, N.Y., January 8, 2024 – Standard Motor Products, Inc. (SMP) is proud to announce the 2024 Pro Training Power Hour schedule. Standard® Pro Training Power Hour is a free, live-virtual technical series designed for professional technicians, shop owners, and aspiring technicians. It is part of Standard’s award-winning Pro Training training program, which also includes Standard® Pro Training Live-Virtual and On-Site training sessions, an On-Demand library, and a Masters Series.

Each Power Hour session delivers comprehensive, in-depth technical information on key Standard® or Four Seasons® categories. The sessions are held on Wednesdays at 12:15pm Eastern (EST) on a monthly basis. The next Power Hour session is scheduled for Wednesday, January 10<sup>th</sup>, covering Fuel Injection Diagnostic Tips.

### **2024 Pro Training Power Hour Schedule**

- January 10 – Fuel Injection Diagnostic Tips
